Please Note: 2018/19 National comparisons based on the emerging National picture must not be made available for public consumption. CAUTION: The KS1 to 2 Progress scores are indicative, they use the 2018 DfE methodology (without low scores being capped), but they have required assumptions as to the notional values to be assigned to the pre key stage standards. Also the predicted values for each KS1 ability banding will marginally change as the National dataset becomes more complete.
