

## PE and Sport Premium Grant Expenditure 2018/19 – Actual

### Overview of the school

Total Pupils on Roll (at census date in January 2018)	419
Total Number of Pupils Eligible for PE & Sport Grant	359
Total PE & Sport Premium Grant received	£19,590

### Nature of support

	<b>Actual</b>
<p><b>Subscription to School Sports Partnership:</b></p> <p>A collaboratively funded group bringing together the NWL primary and high schools to deliver inter-school competitions, sports festivals, PE training opportunities, network meetings for PE Coordinators, a nominated coach to work alongside teachers in the delivery of PE lessons and the provision of a variety of sports clubs</p> <p><b>Impact</b> - Being members of the SSP gave us access to a number of coaching opportunities, and also to a number competitions and festivals. Bronze Ambassadors and Play Leaders were trained in sports leadership. Being part of the partnership enabled us to access judo sessions for the whole school &amp; mental health support for Y6.</p>	£4,325
<p><b>Staff Training &amp; Coaching:</b></p> <p>PLT Meetings – Autumn, Spring and Summer Terms</p> <p>Courses – Cricket, Badminton</p> <p><b>Impact</b> - As part of the cricket coaching package, we gained access to coaching for the Y5 and Y6 classes which provided teachers with further ongoing CPD. An exclusive girl's cricket club was provided which allowed a number of girls who hadn't got involved in sports previously to experience a sport in a non-intrusive environment. Two teams were entered into the Level 2 competition with one team winning as a result of the coaching. The boy's team also made the area final thanks to the high quality PE lessons provided. Teaching assistants and sports leaders were also trained in cricket games and activities. Year 4 were provided with badminton coaching which enabled the children to access quality coaching when culminated in a competition in which less active pupils were targeted for both the after-school club and the competition.</p>	£0 £613
<p><b>Sports Coach:</b></p> <p>Employment of a dedicated Sports Coach</p> <p><b>Impact</b> - Through the use of a sports coach, more children were able to access lunchtime sporting activities across the school. More teams were entered into competitions and more time was dedicated to providing specific training for each sporting activity. PE lessons were delivered more effectively as equipment was organised before the start of the lesson. In sports where the coach was skilled, teachers were able to learn and upskill.</p>	£11,602
<p><b>Transport to Sporting Events:</b></p> <p>Transport to various competitive and audience sporting events</p> <p><b>Impact</b> - By providing transport to Level 3 sporting events and the Saffron Lane Area Athletics Championships, we were able to allow a number of children to experience higher level sporting activities. Over 50 children attended the School Games with 4 county winning teams and one 3<sup>rd</sup> place. 40 children gained experience at an athletics track as part of the Saffron Lane event with many medal winners returning jubilant. By providing the transport we created a strong team environment.</p>	£1,795

<p>30 children attended the Brownlee Triathlon and were introduced to a new sport AND met an Olympic gold medallist!</p> <p>Gifted and talented cricketers sent an inspirational day at Grace Road whilst keen cricketers were given the chance to watch an international match.</p> <p>Y5 and 6 were offered the opportunity to attend the National School Games and watch wheelchair basketball.</p> <p>Transport has been provided to children at all levels of ability and also allowed us to develop interests in the gifted children.</p> <p>Footballers in Y3/4 were given the opportunity to meet and interview Gareth Southgate as part of an FA promotion.</p>	
<p><b>Encouraging Physical Activity:</b></p> <p>Subscription to Activ8 scheme (415 @ £1.50)</p> <p>Five-a-day Fitness subscription</p> <p>Equipment/Sportswear to support PE development</p> <p><b>Impact</b> - To continue to encourage a healthy lifestyle outside of the school, the school subscribes to the local fitness initiative Activ8 ran by the district council. The scheme enables the children to accumulate points through participation in school sporting events, which they can then 'spend' on activities at the local leisure centres, such as swimming and badminton. A better partnership was developed with the DC to allow points to be accumulated and leaflets were provided to parents.</p> <p>The purchase of the table tennis table allows for more active lunchtimes as it is a fixed outdoor table as well as helping to develop the competition teams.</p> <p>Five a day is used in most classrooms on a daily basis to help us towards keeping more active and provides the children with short brain breaks. Maths of the Day encourages teachers to use active cross-curricular lessons</p>	<p>£623</p> <p>£252</p> <p>£380</p>
<b>Total</b>	<b>£19,590</b>

### Outcomes

<ul style="list-style-type: none"> <li>• All children in KS1 and KS2 were provided with the opportunity to represent the school at a Level 2 event.</li> <li>• Achieved Gold Sports mark</li> <li>• Area champions: sportshall athletics, swimming, Y3/4 tag rugby, cricket, girls cricket, 5/6 quad kids, badminton</li> <li>• County champions in Y3/4 Quad Kids.
